PubChat Intelligent Literature Retrieval Tool User Evaluation Questionnaire

Dear User,

Greetings! Thank you very much for participating in the testing and evaluation of the PubChat Intelligent Literature Retrieval Tool. This questionnaire aims to collect your genuine feedback and evaluation following your use of PubChat for literature retrieval tasks.

Your insights are invaluable to us for optimizing system functions, enhancing user experience, and providing empirical data for academic research.

The questionnaire consists of 8 sections comprising a total of 42 items. We sincerely appreciate your patience and the valuable time you are dedicating to this survey.

Part 1: Basic Information

1. Your age is _____

2. Your gender is

□ Male

□ Female

□ Other _____

3. Your nationality is _____

4. Your native language is

□ Chinese

□ English

□ Spanish

□ French

□ Portuguese

□ Italian

□ German

□ Russian

□ Other _____

5. Your major is

□ Clinical Medicine

□ Basic Medicine

□ Pharmacy

□ Public Health

□ Nursing

□ Dentistry

□ Psychiatry

□ Veterinary Medicine

□ Other _____

6. Your professional background is

□ Undergraduate Student

□ Graduate Student (Master's / PhD)

□ Postdoctoral Fellow

□ Junior Professional Title (Resident Physician / Pharmacist / Senior Nurse / Research Intern, etc.)

□ Intermediate Professional Title (Attending Physician / Pharmacist-in-charge / Nurse-in-charge / Assistant Researcher, etc.)

□ Associate Senior Professional Title (Associate Chief Physician / Associate Chief Pharmacist / Associate Chief Nurse / Associate Researcher, etc.)

□ Senior Professional Title (Chief Physician / Chief Pharmacist / Chief Nurse / Researcher, etc.)

□ Other _____

7. How often do you conduct systematic literature retrieval

□ Weekly

□ Monthly

□ Occasionally

□ Rarely

8. Your proficiency with PubMed retrieval

□ Very proficient

□ Quite proficient

□ Moderately proficient

□ Not proficient

9. Your systematic review writing experience

□ Have published systematic reviews as primary author

□ Have participated in systematic review projects

□ Currently learning or writing

□ No relevant experience

Part 2: Retrieval Precision and Comprehensiveness

10. How would you rate the quality of the retrieval strategies generated by PubChat in terms of professionalism and effectiveness?

□ Very Good

□ Good

□ Fair

□ Poor

□ Very Poor

11. How would you rate the relevance of the literature retrieved by PubChat?

□ Very Good

□ Good

□ Fair

□ Poor

□ Very Poor

12. How would you rate the comprehensiveness of the literature retrieved by PubChat?

□ Very Good

□ Good

□ Fair

□ Poor

□ Very Poor

13. How would you rate PubChat's ability to retrieve the latest literature?

□ Very Good

□ Good

□ Fair

□ Poor

□ Very Poor

14. How would you rate PubChat's ability to handle complex retrieval tasks?

□ Very Good

□ Good

□ Fair

□ Poor

□ Very Poor

15. How would you rate PubChat's performance in avoiding false information (e.g., nonexistent literature, incorrect citations)?

□ Very Good

□ Good

□ Fair

□ Poor

□ Very Poor

16. How well do PubChat's retrieval results align with your retrieval objectives?

□ Very Good

□ Good

□ Fair

□ Poor

□ Very Poor

Part 3: Retrieval Consistency and Reliability Evaluation

17. How would you rate the consistency of PubChat's literature screening criteria?

□ Very Good

□ Good

□ Fair

□ Poor

□ Very Poor

18. How would you rate the consistency of PubChat's results when run multiple times under the same retrieval conditions?

□ Very Good

□ Good

□ Fair

□ Poor

□ Very Poor

19. How would you rate PubChat's overall stability across different retrieval tasks and long-term operation?

□ Very Good

□ Good

□ Fair

□ Poor

□ Very Poor

20. How would you rate PubChat's error handling and recovery capabilities?

□ Very Good

□ Good

□ Fair

□ Poor

□ Very Poor

21. How would you rate the completeness of the reports generated by PubChat?

□ Very Good

□ Good

□ Fair

□ Poor

□ Very Poor

Part 4: Innovation Evaluation

22. How would you rate PubChat's applicability for medical professional literature retrieval?

□ Very Good

□ Good

□ Fair

□ Poor

□ Very Poor

23. How would you rate PubChat's automatic journal impact factor matching function?

□ Very Good

□ Good

□ Fair

□ Poor

□ Very Poor

24. How would you rate the alignment of the literature matching scores generated by PubChat with your actual research needs?

□ Very Good

□ Good

□ Fair

□ Poor

□ Very Poor

25. How would you rate PubChat's user-customizable retrieval strategy function?

□ Very Good

□ Good

□ Fair

□ Poor

□ Very Poor

26. How would you rate PubChat's multi-language output support function?

□ Very Good

□ Good

□ Fair

□ Poor

□ Very Poor

Part 5: Work Efficiency Evaluation

27. How would you rate PubChat's overall retrieval speed?

□ Very Good

□ Good

□ Fair

□ Poor

□ Very Poor

28. How would you rate PubChat's level of automation?

□ Very Good

□ Good

□ Fair

□ Poor

□ Very Poor

29. How effective is PubChat in reducing manual screening workload?

□ Very Good

□ Good

□ Fair

□ Poor

□ Very Poor

30. How helpful is the PubChat in improving your research efficiency and quality?

□ Very Good

□ Good

□ Fair

□ Poor

□ Very Poor

Part 6: Comparison with Other Tools Evaluation

31. Which literature retrieval tools have you used before (multiple choices allowed) ?

□ AI Large Language Models (e.g., ChatGPT, Gemini, Grok, Qwen, Deepseek, etc.)

□ Specialized literature search tools (e.g., Consensus, Elicit, ASTA, LITERAS, Perplexity Sonar, etc.)

□ Manual search / Traditional databases (e.g., PubMed, Web of Science, Google Scholar, etc.)

32. How would you rate PubChat's overall performance in literature retrieval compared to AI Large Language Models (e.g., ChatGPT, Gemini, Grok, Qwen, Deepseek, etc.)?

□ Much Better

□ Better

□ Comparable

□ Worse

□ Much Worse

□ Uncertain

33. How would you rate PubChat's overall performance in literature retrieval compared to specialized literature search tools (e.g., Consensus, Elicit, ASTA, LITERAS, Perplexity Sonar, etc.)?

□ Much Better

□ Better

□ Comparable

□ Worse

□ Much Worse

□ Uncertain

34. How would you rate PubChat's overall performance in literature retrieval compared to manual search (e.g., manual searching PubMed, Web of Science, Google Scholar, etc.)?

□ Much Better

□ Better

□ Comparable

□ Worse

□ Much Worse

□ Uncertain

Part 7: User Experience Satisfaction Evaluation

35. How would you rate the user-friendliness of PubChat's interface?

□ Very Good

□ Good

□ Fair

□ Poor

□ Very Poor

36. How would you rate the convenience of PubChat's initial setup?

□ Very Good

□ Good

□ Fair

□ Poor

□ Very Poor

37. How would you rate the ease of operation of PubChat?

□ Very Good

□ Good

□ Fair

□ Poor

□ Very Poor

38. How clear are the PubChat's user guidance instructions?

□ Very Good

□ Good

□ Fair

□ Poor

□ Very Poor

39. How well does PubChat meet your research needs?

□ Very Good

□ Good

□ Fair

□ Poor

□ Very Poor

40. How would you rate your overall satisfaction with using PubChat?

□ Very Good

□ Good

□ Fair

□ Poor

□ Very Poor

41. How likely are you to recommend PubChat to your colleagues?

□ Very Good

□ Good

□ Fair

□ Poor

□ Very Poor

Part 8: Open-ended Questions

42. How do you think the PubChat could be improved or what new features would you suggest adding?

_____
